path for paws

Helping pets go home again.
one brick at a time.

recognize your pet, honor a family member, and celebrate animals finding loving homes!

Path for Paws is the perfect way to leave your permanent mark of care and compassion for lost and homeless shelter animals. This engraved brick campaign provides a great, visible opportunity to create a long-lasting gift that will help support enhanced animal care at the shelter and place beautiful pets into caring homes.

Each brick will become part of a 20x20 patio where the Humane Society of Southern Wisconsin holds a variety of special public events, including microchip clinics, educational seminars, fundraising events, and more.

Thank you for supporting our mission to provide shelter and humane care to lost and homeless pets; reunite lost pets with their loving families; promote positive pet adoptions; educate our community to inspire compassion and responsible pet guardianship.

two sizes available:
