

Mice, Mice Baby!

If you're hiring for eco-friendly pest control - look no further! The [Humane Society of Southern Wisconsin](#)'s Working Cat Adoption Program is here to provide homeowners, landowners, and businesses with top-notch job candidates. ***Our Working Cats are altered, vaccinated, and microchipped for a waived adoption fee.*** All they ask for in return for their labor is daily food/water supply and a warm shelter!

Our Working Cats may not be comfortable living in a traditional home setting but are eager to get some fresh air, enjoy the great outdoors, and spend their days thriving as your companion from afar.

If you or someone you know is interested in hiring an HSSW Working Cat to take care of those pesky rodents, please call the shelter at 608-752-5622, join our Facebook group [HSSW Working Cats](#) or keep an eye on our website [HERE](#).
