

YOU Can Help Us Save 500 Kittens!

Last year alone, The Humane Society of Southern Wisconsin and our lifesaving foster team helped **456 kittens find forever homes**. The bulk of these kittens made their way to our doors during the warmer months of early Spring through Fall - a time period also known as ***Kitten Season***.

Each year, hundreds of kittens are placed into foster homes, **some needing round the clock care**. YOU can help make sure kittens like these grow big, strong, healthy, and adoption ready. Support The Humane Society of Southern Wisconsin this Kitten Season by sending us items from our Amazon [wish list](#) or by donating [here](#).

Fig Finds A Forever Home

After two months in HSSW's care, 8-year-old Fig was adopted at the end of February. Back in December, Fig came to our shelter as a stray and, unfortunately, tested positive for Heartworm. Thanks to the care of our dedicated medical team, and the patient and loving foster family who soon became her forever family, Fig is home and on the mend. ***Congratulations, Fig!***

UPCOMING EVENTS

March Kitten Madness

March 15th - April 5th

Support HSSW's Foster Program by participating in our first ever NCAA bracket fundraiser!
