**Stacey's Story**

Here at HSSW, we have amazing supporters with remarkable stories. Stacey has lived most of her life with a genetic disorder that causes tumors to grow on nerve endings throughout her body. She became deaf in her teens, blind in her 20s and has had over 40 surgeries. Despite living with chronic pain, Stacey is known for her positive outlook, sense of humor and selflessness. Stacey is now on hospice and wants to make her remaining time count. With help from her best friend Jeremiah, Stacey has organized an online fundraiser to benefit HSSW, combining her generous spirit and love for animals.

### **Mutts & Martinis 2021**

A huge thank you to everyone that made Mutts & Martinis an astounding success! Whether you are a donor, sponsor, or attendee, your support makes a vital impact in the lives of our pets and the families they join. Altogether, we raised over \$19,000! It was a lovely evening and during this season of giving and thankfulness, we are grateful for you! A very special thank you to Blackhawk Bank for making this event possible!

## Lick-or-Treat 2021

Thank you to everyone who came out to celebrate Halloween with us during Lick-or-Treat! Furry friends, kids, and adults alike had a wonderful time showing off their costumes and, of course... Receiving treats! We are already looking forward to next year! Special thanks to Camping World for making this event possible!

## Heroes Unite!

The Humane Society of Southern Wisconsin has called in the most daring, valiant, and fearless heroes to help save 5,000 pets every year! Starting on Giving Tuesday (November 30), our heroes will test their might by collecting the most donations by December 31. The top three heroes will receive traveling trophies, along with ultimate bragging rights until next year's competition! There will also be rewards for reaching fundraising milestones. Stay tuned for hero announcements coming soon!

## New Building Update

HSSW staff visited our new property on November 3 to check out the progress and continue to “build” excitement for this location, slated to open in the spring! Everyone is continually impressed by the increase in space as well as the beautiful (did we mention “large”) natural area. Check out the current building process (above, left) and rendering of our future lobby and retail space (right)! You can still contribute to our capital campaign and become a part of this exciting new chapter for our community!
