***While you may not be able to buy love this Valentine's Day, you sure can adopt it!***

To celebrate Valentine's Day this year, we're hosting an adoption special all week long!! And over the weekend!! Starting February 9th, you can come in, fall in love with a new furry friend, and then choose a candy heart. The color of candy heart you choose will determine the adoption fee you pay to bring your new furry friend home (ranging from \$0-\$25)!

This special will go through February 15th, but don't be afraid to come in right away and give love a chance at HSSW. We also have the lobby decorated for some really cute photo ops post-adoption! AND when you take a photo with your newly adopted pet you'll be entered into a raffle to win your choice of some very cool prizes!

Additional fees beyond the adoption fee: City of Janesville licensing (if applicable), cat carrier (if not provided), leash and collar (if not provided). During this adoption event, adopters are still required to complete a standard adoption application as if it were a normal day. This adoption special pricing excludes Adoption Guaranteed pets. Special adoption prices do not apply to off-site adoption centers.

### Say Hello to Ed!

**We'd like to introduce you to one of our sweet old men, Ed.** Ed was brought into the shelter as a stray in October 2025 and has melted hearts here since day one. At 15 yrs old, the shelter was a bit stressful for him. But luckily for Ed, a foster swooped in and took him home, while he waits for his new family.

Here is what his foster mom has to say about him:

"If you're looking for the sweetest, most affectionate cat you'll ever meet, Ed is your guy. This senior sweetheart lives for love and cuddles. He'll wrap his paws around your neck for hugs and nudge you with his head to ask for more affection. Ed is a calm, chill boy who enjoys a relaxed lifestyle and being close to his people. He gets along great with dogs, and we're confident he'd do well with other cats too. He's the kind of cat who makes a house feel like home. Ed is diabetic and thanks to HSSW's program, all of his diabetic supplies are provided for free for the rest of his life! That means you get all the love without the added financial stress. This sweet senior has so much love left to give and deserves a cozy home where he can spend his days cuddling and being adored. Don't miss out on the chance to give Ed the forever home he's been waiting for. "

We couldn't have said it better! Does Ed sounds like the man of your dreams? Give us a call to setup a time to meet him at 608-752-5622. Plus, Ed's post-adoption care will be supported by our Cat-R-Walkin' Home Fund! This means that his vet care, meds, food, etc. directly related to his Diabetes will all be covered.
