Meet Our Long-Staying Resident Dogs

Pictured above are just eight of our adoptable dogs (in total we have nearly 30 dogs looking for loving families right now). These eight dogs are considered 'long-staying residents' - for us, this means that they have been at HSSW for more than 60 days. That's a LONG time to be searching for your new family!

On average, dogs are only with us for just over two weeks. This means these dogs have been with us for at least four times as long as their other adoptable friends. Which also means that they have seen many other dogs get adopted - and we think it's their turn!

To learn more about any of our adoptable dogs, visit us at <https://www.petsgohome.org/adopt/dogs/>, give us a call at 608-752-5622, or send us an email at adoption@petsgohome.org. **And don't be afraid to meet with a Long-Staying Resident - we promise they are full of love!**

I Want to See Adoptable Dogs!

Only a Few Calendar Spots Left!

Check out this Behind the Scenes look at our recent [Culver's](#) photoshoot with the very talented [Moore Moments Photography](#)!

This photoshoot was for our 2026 Calendar - which you can still get in on!! In case you missed it, we produce a calendar each year, but are doing it a little differently this time. For 2026, we are featuring area businesses and adoptable pets each month in the calendar. AND we will have a coupon sheet included too!!

So, if you know a business that should be in our calendar, send them our way! Have them reach out to Shannon at sreden@petsgohome.org! **We only have a couple spots left!!**

We've Joined the ASPCA's Rescue Effect Campaign

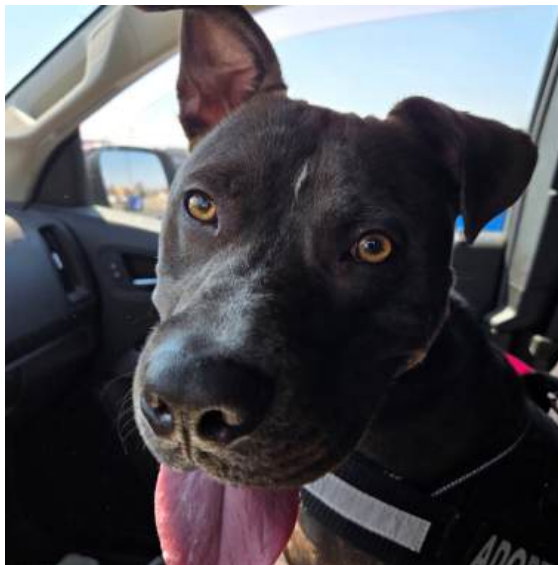

From August through October, we're teaming up with the [ASPCA](#) for a nationwide campaign called **The Rescue Effect** to help more animals find homes. Join us! We have pets of all sizes, ages and wonderful personalities available for adoption — maybe your home is the one they've been waiting for!

When you choose adoption, you'll welcome home the best friend you've been dreaming of, and another animal will finally get the care and shelter they need. It's a ripple: When you help one, you help many. **That's The Rescue Effect.**

As a part of this campaign, we will be hosting a series of adoption events in August and September! **Our first event starts on Monday, August 11th and goes through Sunday, August 17th.** Thanks to the support of the ASPCA, adoption fees for our pets* have been covered during this event! Adopters must still follow all normal adoption processes to adopt a pet and pay for any additional required purchases, such as a City of Janesville License, a cat carrier, a leash/collar, etc.

**Pets at off-site locations (like Petco) are not included as a part of this event. Additionally, pets in our Adoption Guaranteed Program are also not included in this event.*

July Events Recap

This July, we had THREE events on July 12th - [Pipes for Paws](#), a [Sand Volleyball Tournament](#), and the [Metanoia Tattoo Fundraiser](#)! All of these events went off without a hitch thanks to our incredibly supportive community! At Pipes for Paws over \$600 was raised, at the Sand Volleyball Tournament \$700 was raised, and at the Metanoia Tattoo Fundraiser, over \$2,100 was raised! Thank you to everyone that helped plan & execute these events, everyone that came out to the events, donated raffle baskets, purchased raffle tickets, helped us promote these events, and for all of the staff and volunteer help to make all of these events happen AND successful!

We also had an event with the amazing folks at the [Janesville Veterinary Clinic](#) on the 23rd. It was a VERY hot day, but also a VERY fun day! There was plenty of shopping, pup cups, photo ops, raffles, and cute dogs all day long! Thank you to JVC for putting this event on, to everyone that donated raffle baskets, and to everyone that came out to support this event! We couldn't help pets go home without all of you!

See you at one of our upcoming events!
