## THANK YOU Blain's Farm & Fleet!

**We held an Adoption Event with Blain's Farm & Fleet on Thursday June 5th and it was a smashing success!**

[Blain's Farm & Fleet](#) held a huge seminar day for their employees and invited us to be a part of it! Of course, we said YES!! For us, this meant that we - and 22 of our cats - headed over to Farm & Fleet for the day and matched employees with their purr-fect companions. Plus, thanks to [Royal Canin](#), all of the adoption fees for the cats and kittens at the event were completely waived! AND on top of that, Farm & Fleet and other vendors donated supplies to send home with each adopter that included a cat carrier, litter, food, and a whole cat starter kit!

Together, we helped 16 cats and kittens (9 kittens and 7 adult cats) go home again! We simply couldn't do what we do without that amazing support of our community - thank you again Farm & Fleet!

## Volunteer Program Update!

### Introducing our new Volunteer & Community Outreach Coordinator, Aidan!

Aidan has been with HSSW since February as our Community Outreach Coordinator and has recently taken on the added role of Volunteer Coordinator! This means that in addition to his outreach duties (community events, tours, presentations, summer camps, etc.) he will be managing our volunteer program too.

He has been soaking up everything there is to know about our volunteer program and making it his own. And now that Aidan is more settled in the volunteer coordination aspect of his role, he will start reviewing and approving current volunteer applications that we have received and setting up training sessions for those in the process of onboarding starting next week. Please bear with Aidan as next week is also the first week of our [summer camps](#), so he will be wearing many hats to fulfill his duties!

All this to say, if you have been waiting for our response to your [volunteer application](#) or your training inquiry, one is coming very soon to you! And we thank you so much for your patience as we navigated this unexpected staffing change.

## May Events Recap

This May, we held one of our famous Yappy Hours with [Willowdale Tavern](#)! We had a ton of fun playing Bingo, but we think Snoop & Roxy were the real stars of the show! Our beloved bonded pair spent the event soaking up attention, stealing hearts, and getting plenty of tail wags in before they tucked out. They made such an impression that Willowdale Tavern generously sponsored their adoption fees! Since Snoop and Roxy are a bonded pair, they need to be adopted together—and thanks to Willowdale, their path to a forever home just got a whole lot easier. **Huge thanks to everyone who came out, played, and won some fabulous prizes!**

We also partnered with [Timber Hill Winery](#) to throw our annual Kitten Shower event. Think your typical baby shower, but for kittens! We collected donation for our foster program AND had a ton of cats and kittens there available for adoption. Everyone that was available to adopt that day had been raised in foster care, so it allowed us to also educate attendees on the importance (and cuteness) of foster care. Almost everyone was adopted that day except for one kitten and three mama cats. But good news - they have all since been adopted! **Thank you to Timber Hill for hosting this event with us and for everyone that came out to support!**

*See you at one of our upcoming events!*
